Examiner Huynh:

This letter will confirm your telephone conference with my paralegal, Lori Hrna, regarding the referenced application. In a routine status check, it was noticed that an Office Action issued on August 9, 2005 in this application. The Office Action was addressed to Reed Smith LLP in Pittsburgh, PA, so we just today obtained a copy of it. Applicant filed a Power of Attorney and Change of Correspondence Form in this application on February 18, 2005. In a telephone conversation with the Electronic Business Center (EBC), it was determined that customer no. 000718 was inadvertently assigned to this application, resulting in the Office Action being mailed to another customer. The correct customer number should be 000716. EBC has indicated that they will correct the customer number today. To that end, we understand you will reissue the Office Action as of today's date, August 17, 2005, upon receipt of this letter. Your assistance is appreciated. If you have any questions or need further information, please contact me.
